1. General Information

All brand names for our proprietary pharmaceutical products are registered as trademarks and are protected by law. Our products may only be supplied in non-modified, unopened original packaging.

These general terms and conditions replace any previous versions of the general terms and conditions. Any changes to these conditions must be made in writing in order to be valid.

MSD reserves the right to refuse any direct orders from customers, to refer to the existing distributor network and to change the distribution channels in the future in full or in part under the scope of the legal provisions.

By placing an order, the customer accepts these terms and conditions in full and without restriction as the basis of the legal relationship between MSD and the customer. The general purchasing conditions of the customer do not apply to MSD sales even if the customer communicates that they only intend to place an order under these conditions. For orders made via the webshop, the conditions for the webshop apply and, supplementary, the General Terms and Conditions of Sale and Delivery.

2. Pricing and Payment Terms

2.1. Unless otherwise agreed in writing, the prices, which are valid at the time of delivery, shall be billed, plus any statutory sales tax and any other supplements due. Prices are always agreed without rebates or discounts unless otherwise agreed in writing. Any benefits and reductions on medicinal products covered by health insurance must be passed on pursuant to Section 56 KVG (Krankenversicherungsgesetz [Swiss Health Insurance Law]). Any consumables supplied free of charge may not be sold (TARMED, General Interpretation GI-20 "Consumables and Implants").

2.2. MSD reserves the right to change the pricing for the products at any time and without prior notice.

2.3. Unless otherwise agreed with the customer, the invoice and related documents will be sent by post or email as selected by MSD. The customer agrees to receive invoices and related documents electronically. These will be sent in PDF format without an electronic signature by unencrypted email to the customer at the email address specified for the processing of the goods order, provided no other email address is specified for this purpose. Unless otherwise agreed in writing, invoices are due thirty (30) days from the invoice date. Once the payment term has expired, the customer will be in arrears without any reminder letter and must pay interest on arrears at a rate of 5% p.a. From the second reminder letter, we reserve the right to additionally bill dunning fees of CHF 20 plus compensation.

2.4. The customer may not offset their receivables with respect to MSD against MSD receivables with respect to the customer.
